Lifting Department

- We have more than 28 years experience in Inspecting and Examining all Lifting Equipment and Lifting Gears.
- We are certified from the LEEA as a FULL MEMBER 2021.

As a mother company; in **IME** we believe that the trained manpower is the backbone of every successful business; that's why we had established Inspect Middle East Training Center **IMETC** with the early years of **IME**.

For more than 29 years, **IMETC** provides the best possible training and examination solutions, ideal for both internationally recognized certification schemes, and employer based schemes.

IMETC is the perfect base from which we launch superiors and talents to the different work fields. And with respect to our co-operation with the IMC most of the courses in our center are financially supported by **the Industrial Modernization Center (IMC)** for registered companies.
