## About Us

### Leading NDT Services, NDT Training and Consultancy Center in India !

We are a leading provider of high-quality manpower to the oil and gas industries, petrochemical industries, and thermal power plants in India. Since 2017, we have been dedicated to sourcing and providing skilled and experienced personnel to meet the staffing needs of our clients.

Our core services include conventional NDT, advanced NDT (ECT/PAUT), and inspection engineers, including welding inspectors, API inspectors (510/570/653), and BGAS inspectors. We understand the importance of having a reliable and efficient workforce to ensure the success of operations, which is why we take pride in delivering the best candidates for the job.

Our recruitment specialists work closely with our clients to understand their specific needs and requirements, and we utilize our extensive network to find most suitable candidates for each position. Our personnel undergo rigorous screening and selection processes to ensure that they meet our clients' requirements and possess the necessary qualifications and experience.

We provide a wide range of support services to ensure that our personnel are well-equipped to perform their duties effectively, including training and certification programs to keep them up-to-date on the latest industry standards and best practices.

At our core, we believe in providing reliable, efficient, and cost-effective staffing solutions that enable our clients to achieve their goals. We take pride in our commitment to quality and customer satisfaction, and we strive to build long-term relationships with our clients based on mutual trust and respect.
